Adequate space for a favourite chair and television. Very suitable for spry people who enjoy the luxury of having their meals prepared for them.

Also an excellent choice of accommodation for the not quite so mobile. Meals are taken in the main dining room. Pleasant and comfortable television/sitting rooms are available for residents and their visitors.

Rand Aid, a registered South African non-profit organisation, serves a dual purpose. Quality accommodation for the discerning retiree - which provides a portion of the funding needed to carry out its welfare work - assisting the aged in need, and people suffering from substance abuse.
